

EXHIBIT 2

[REDACTED]

I received it this morning from Dana.

What do you think I should do?

Just received will read

Write a rebuttal. Are you putting into your journal like I asked you to everything you do? Can you rebut what she is saying? How are you unprofessional? Where are the itemized details? She doesn't want me to mentor you anymore but legally she needs to put up somebody. Don't let in that I know. What did your union rep state

I wrote to the rep but I haven't heard

Can you be so very
emotional about it I don't know
what I did to her at all.

You got pregnant and can't work
the summer

Call later out of building

Ok.

Mon, Apr 18, 6:42 PM

Will be at a board meeting till

you?

Yes. Lt. me call you from my
landline

Okay. Call my land line as well.

Hi [redacted] I was in a car accident
on Monday. Everyone is fine. I
was in the hospital yesterday
monitoring the baby, [redacted]
good. I'm on medical leave until
further notice. I asked about my
personal file and Ms. Christie
said the request must be done
in writing and can only be
viewed in front of [redacted]

She is correct about the file

Just make sure nothing is there
that you didn't sign unless a
thank you. My god though don't
make any bets for you will lose
the way your luck is going. But I
shouldn't say that because you
and the baby are doing great.
Keep In touch. ●

Lol. Thanks [REDACTED] Enjoy your
summer. Blessing for you and
your daughters. I pray that they
have a safe delivery.

r the letters detailing all those meetings. I would talk to a union legal about this u rating. Did [REDACTED] from union ever get back to you

You need to breath and review every item to rebut

Let me think who I know to send this

I spoke with [REDACTED] a few days ago and he said when and if I officially received a u rating, then we would appeal it. I didn't forward the email to him yet. I am doing it now.

Good. As I was reading it I also realized you r a new ap. So wher is her support. She might say [REDACTED]. But you need a time line showing from the berginning when did she provide you

time line showing from the berg
inning when did she provide you
support she can't say me
because even though she was
going to she yanked me off
within a week and I only spoke
to you once. Also look at the
responsibilities and how many
times she changed them
without giving u a chance to get
familiar. But especially put
down the changes and firsts you
brought to school. Also your
absence

I know I'm always saying this but I don't know why she is going so hard after me. I met with [REDACTED]

[REDACTED] three times and her mentor once (I can't remember her name - [REDACTED]), then you

became my mentor. She didn't really want to help me grow or get better. On Feb 8, Ms. Christie told us that [REDACTED]

[REDACTED] would be in on 2/9 and 2/10 to observe and support the teachers. On 2/24

[REDACTED] also became my mentor along with her other duties.

And when did she leave.

March 15

So how much mentoring could she give. In fact that letter

she give. In fact that letter
[REDACTED] wrote could have an
inverse impact on Christie
concerning support

Idk, I met [REDACTED] once. Also
met with [REDACTED] on
ADVANCE training, twice with
[REDACTED] and Ms. Christie and twice
on my own.

Still not all the training you
needed and she hasn't
documented it

Idk [REDACTED] Maybe in her mind
she provided a tremendous
amount of support and she still
didn't see any progress or
change. I just hope next year
she lays off me and move on to
someone else.

She will but you need to fight
that u and I don't care what is in
her mind it isn't on paper

Lol I will definitely fight the b

Good now relax for the two
battles coming baby and appeal

Okay. Thanks. How r u doing?

Fine. I picked up a coaching job
for the fall with [REDACTED]
for September

Oh that great!!

Are you coming back to WATCH

Don't know will play by ear

OH I will miss you if you don't. I
don't think I could stay calm
